Explanatory Notes

1. In our proposal of December 26, 2018, Estrella proposed a 20% discount on its attorney's rates and a 5% discount in paralegal rates. This leads to a reduction in our billing rate from \$350 to \$280/hr.; from \$325 to \$260; and so on across the board in our fee schedule.
2. In order to comply with the billing guidelines, we have divided certain entries to avoid block billing. However, these entries entail the review of GO Bonds Pro se Participation by individuals either notified to our Firm directly or filed with and entered with the docket by the Clerk of the Court. We are mindful of the unfairness of billing 0.1 entries for reviewing documents that contain 1 or 2 pages. Thus, we have joined these notices together so that these reflect the actual time spent in reading those notices.
3. Examined List of over 150 entities for corporate status. These instances occurred on 04/12/2019
4. On the following pages are entries that exceed 0.5 for review and filed documents; in each entry we have set forth the numbers of pages reviewed to justify the entries that exceed 0.5. The pages are number 8,15,28,29,33,34,41,43,44,50,52 and 54. The other entries that exceed 0.5, entail legal research on specific cases as requested by the client.
5. Please note that Mr. Paul J. Hammer is no longer at our firm and Mr. Carlos Infante has been substituting him. The Firm will no longer submit any time for Mr. Hammer since he left the Firm on February 28, 2019.
